Keeler Township Hall

Chairman Rod Pletz called the meeting to order at 6:00pm.

Members Present: Pat Hickey, Mike Spain, Rod Pletz, Vicky Pletz, Harold Schaus, Don Blackmond

Members Absent: None

Guests Present: Tom Neary

Rod noted that we have a quorum and can begin.

Tom questioned his status and it was explained that hopefully he will be appointed to the Authority by the Keeler Township Board of Trustees at their regularly scheduled meeting tomorrow.

Motion to approve the Minutes from 04/14/2025 made by Pat, seconded by Mike. No corrections made. Motion passed unanimously.

Rod stated that there are no bills that need to be paid.

The balance in the General Account is \$4,856.94 and the balance in the Michigan Class Investments Account is \$163,416.48.

Rod Asked Don about any updates on the painting of Sharrows on 690 and 95th St? Don said that he was told that they would be done before Memorial Day weekend.

Rod gave a Trailhead Park update: Park subcommittee met and decided on the Pavilion design; it is ordered with a 4-to-5-week delivery date. Stain and roof color need to be decided. Fencing has been ordered to be installed after the driveway and parking area is completed. The Triple D quote for the driveway and parking area is for gravel and he is going to also give a quote for crushed asphalt. Triple D may also be able to help with the concrete pad and the

erection of the pavilion. He also said that he may be able to start in 4 to 5 weeks.

Discussion about where to store the material for the pavilion to provide some extra protection from vandalism and still be out of the way of ongoing work.

Discussion about the Website and that a former member had said that he would take over the care of it and that it seems to have languished. It was noted that the timely updating of the Minutes is required. Tom Neary stated that his daughter, Susan Elovitz, may be willing to take on the task as she did a great job updating the Facebook page for the Triathlon.

Mike made a motion to appoint Susan Elovitz as administrator for our Facebook page and to be the administrator for the CIA website.

Pat brought up the idea of possibly helping the Lions Club improve the sign that they have in the La Perla parking lot. Discussion ensued as to actual ownership, real estate ownership, and what kind of agreements that would be needed. Much more information is needed for that to go forward.

Rod opened the floor for public comment at approximately 6:40pm. No public comment was heard.

Don made a motion to adjourn. Pat seconded. Motion passed unanimously.
